Choosing a Quality Child Care provider

Choosing a high quality program can have a significant impact on your child's readiness for success in kindergarten and later grades. Children who attend high quality programs can make significant gains in their knowledge, skills, and abilities. In Texas, child care programs can pursue higher quality through several avenues. Texas Rising Star is one of these options for child care providers, and for parents looking for high quality child care for their children. Additionally, child care providers participating in the Texas School Ready! grant program provide quality child care services focusing on preschool children.

Texas Rising Star

The Texas Rising Star program is a voluntary, quality-based child care rating system of child care providers participating in the Texas Workforce Commission's subsidized child care program. TRS Certification is available to Licensed Center and Licensed and Registered Child Care Home providers who meet the certification criteria. The TRS Provider certification system offers three levels of certification (Two-Star, Three-Star, and Four-Star) to encourage providers to attain progressively higher certification requirements leading to a Four-Star level.
